

HOW?

Cultivate is structured around distinct implementation steps, with each step being essential in order to achieve the objectives:

1

**COLLATION:
CO-DESIGNING THE TOOLS WITH "CULTIVATORS"**

2

**ACTIVATION:
TESTING THE TOOLS IN THREE HUB LOCATIONS**

3

**REPLICATION:
REPLICATING KEY TOOLS IN SIX SPOKE LOCATIONS**

4

**INTEGRATION:
INTO THE FOOD SHARING COMPASS**

5

**BEYOND:
THE COMMUNITY OF PRACTICE**

CULTIVATE WILL:

- nurture the transition towards more sustainable food systems by raising awareness of food sharing initiatives and strengthening sustainable food sharing.
- develop the Food Sharing Compass, a social innovation support platform consisting of 5 tools which will be tested in three hub cities and replicated in six spoke locations across the EU.
- assist cities and stakeholders in navigating towards resilient and sustainable food sharing through the Food Sharing Compass tools.
